From The Sims Wiki, the joint database for The Sims Jump to Navigation Jump to Search Schmoozer is a social feature of The Sims 3. This is contrary to the rebellious line. Schmoozers are really good at being friends with colleagues and sucking up to their bosses. They are well oriented in the corporate landscape. Schmoozer Sims get more relationship points with the boss and colleagues when communicating. Schmoozer Sims have better results when asking for things from other sims. Compliments are always successful. Interactions, which are regarded as schmoozing, take precedence over other traits, allowing the Evil, Hot Head, Inappropriate and Middle Spirit Sims to apologize autonomously and with great success. Schmoozers, just like charismatic Sims, have more friendly interactions available when initially engaging in conversation. Become the leader of the free world Become CEO of Mega Corporation Become Super Popular Schmoozers have Schmooze interactions with bosses and colleagues. Schmoozers can Praise and Flatter other Sims, which gives them a flattered moodlet. Characters can easily make friends with snobs because they are good at complimenting other characters. Characters with this trait who have a job will automatically suck up to the boss or do boss documents if such a command is available. This trait and/or charismatic trait can be used as a method to reduce the ratio of average hot-headed, Evil, Inappropriate, Grumpy, or Mean-Spirited Sims interactions that will be performed autonomously on other characters due to the large number of friendly interactions that provide traits. Schmoozers are a little more receptive to some Complain About... Interaction. Schmoozers greatly benefited from holding the communication mainstream while in college. Click here! I have a sim with the Schmoozer trait in my culinary career. One of the requirements for work is the attitude to the boss. For my first day at work I chose to suck up the boss tone. His relationship with her is now maximum. My question is: is Suck up the boss is going to give a better performance (or the same) than Business as usual? Is there an advantage for Schmoozer Sims to use this tone regularly? 0 0 sims 3 schmoozer vs charismatic
